MythoScience #1: Read latest clinical study on **vegetarian** Chondroitin Sulfate

Gnosis is ready to launch the 1st issue of **MythoScience**, a new technical document entirely dedicated to vegetarian Chondroitin Sulfate and latest scientific updates, which draws readers' attention to **specific clinical studies** conducted by experts from the world of CS.

This first edition of **MythoScience** shows the results of the human clinical trial on the Bioavailability, Sulfation Δ Di6S and Charge Density of Myhtocondro[®], the only non-animal Chondroitin Sulfate, compared with a highly pure animal CS.

Discover all the advantages of Myhtocondro[®] - the vegetarian Chondroitin Sulfate - against animal CS. Check the abstract of the study and the graphs realized for this new release.

FOCUS ON:

Speech on vitaMK7[®] and the importance of a clean label

During next edition of SSW in Las Vegas, Prof. Luca Tiano, opinion leader and expert in Vitamin K2 as Menaquinone-7, will explain the value - duly recognized by the global market - of products showing a "clean label" (such as vitaMK7[®]), which is linked to today's demand to assume ingredients with real nutritional benefits, to avoid highly

Health ingredients (Hi) Europe: last 2018 challenge

This year Gnosis will participate - for the first time - at **Health ingredients (Hi) Europe in Frankfurt**, Europe's leading tradeshow offering the best business opportunities for the health, natural and nutrition industry.

Gnosis, with its wide range of nutritional ingredients to enhance human health, will not miss the opportunity to showcase its top products: **Quatrefolic®** (the active form of folate), **Mythocondro®** (the first Non-animal Chondroitin Sulfate), **vitaMK7®** (the natural vitamin K2 as MK7), **Adonat®** (the stable form of S-Adenosyl-L-methionine) and many others.

A complete range of solutions offering advantages to all functional areas: brain & mood, bone & joint, heart & liver, prenatal & lactation.

Discover them all during Health ingredients (Hi) Europe. Join us from 27th to 29th November 2018 at booth # 8G117.
